Explanatory Note

(This does not form part of the Notification but is intended to make the general purport clear.)

Under section 73 (2) of the K.L.R. Act 1[illegible], the Civil Court can pass orders in the matter of arrears of rent accrued due prior to 1-5-1965. Section 73 (5) says that if the tenant fails to deposit the arrears of rent, the rent has to be recovered under the provisions of R. R. Act. But rule 20 of the K.L.R. (Tenancy) Rules requires the Land Tribunals and Appellate Authority alone to prepare an extract of the orders in form No. 6. In form No. 6 also, no mention is made of Civil Courts. It has therefore become necessary to empower civil courts also to prepare the extracts of the order in Form No 6. This Notification is intended to achieve the above objective.

Explanatory Note

(This does not form part of the notification, but is intended to indicate the general purport).

Government are of the opinion that in the present context of acute fertiliser scarcity in the country and since any attempt to paralyse production of fertiliser will adversely affect the economy, the fertiliser industry should be declared as a Public Utility Service under section 2 (n) (vi) of the Industrial Disputes Act, 1947. Further Government feel that there should be complete industrial harmony in this industry. Government therefore, propose to extend the existing Notification declaring fertiliser industry as a Public Utility Service for a further period of six months from 17-6-1975 in Public interest.
